No. CR-13-008-WFN-9

ORDER DENYING MOTION  
FOR RELEASE

☒ Motion Denied  
(ECF No. 1100)

15 Defendant has moved to modify the detention order and for release into  
16 inpatient treatment. She has submitted to the court and served upon the  
17 government an assessment that recommends inpatient treatment. There appear to  
18 be inconsistencies in the assessment with what was reported by Defendant and  
19 what was contained in the Pretrial Services Report.

20 The undersigned is unable to conclude that inpatient treatment will be  
21 workable unless the facility is a lock-down facility and there is a plan for agents  
22 from the treatment facility or other responsible adults to transport Defendant  
23 directly to the facility from jail. Accordingly, the Motion, **ECF No. 1100**, is  
24 **DENIED.**

25 If the Defendant seeks review of this Order pursuant to 18 U.S.C. § 3145(b),  
26 attorney for Defendant shall file a written motion for revocation or amendment of  
27 this Order within ten (10) days before the district judge to whom this case is  
28 assigned and note it for hearing at the earliest possible date. Both parties are

1 responsible to ensure the motion is determined promptly.

2 **IT IS SO ORDERED.**
